*Christian Education* Ellen G. White, 2018-12-10 The education and training of the youth is an important and solemn work. The great object to be secured should be the proper development of character, that the individual may be fitted to rightly discharge the duties of the present life, and to enter at last upon the future, immortal life. Eternity will reveal the manner in which the work has been performed. The book is not only for teachers, but also for parents, who should be prepared to direct intelligently the education of their children. The whole subject of Christian education is treated from the broadest standpoint, with valuable principles and suggestions applicable to every stage of child development. This little work will prove a blessing, both in a richer personal experience and in an increased ability for service, to every one who will read it thoughtfully.

Child Age & Education Ellen G. White, 2015-01-29 This is a compilation of material written by Ellen G. White over a period of some sixty plus years regarding at what age, where, what, and by whom children should be educated. The various inspired counsels on childhood education chosen for this volume have been categorized into four sections—"Prenatal, Babyhood—Birth to 3 Years; Infancy—Birth to 6 or 7 Years; and Childhood—Birth to 12 or 13 Years." Appendix A contains the full report of the 1904 Sanitarium, California, meeting of Ellen G. White and the local church school board in which the schoolroom education of children as young as 5 years of age is recommended under certain conditions. Appendix B consists of the complete Pamphlet 124 entitled "What Shall We Teach?" This pamphlet has conveniently organized the inspired counsels as to what a child should be learning at home, in the church school and in the advanced schools.

**Temperance** Ellen White, 2021-08-03 This book called Temperance (BIG Print (A4) Original Text Edition without inclusive language) was a favorite theme of Mrs. Ellen G. White, both in her writings and in public discourse. In many of her articles which appeared in denominational journals through the years, and in manuscripts and letters of counsel addressed to both workers and laity, she urged Seventh-day Adventists to practice temperance and to promote vigorously the temperance cause. In response to earnest requests that this wealth of material and instruction should be made available in a single volume, this handbook has been prepared by authorization of the Ellen G. White publications, to whom Mrs. White committed the custody of her books and manuscripts. These selections have been drawn from the whole range of Mrs. White's writings on this subject, including some now out of print, such as the following: *Health, or How to Live* (1865); *Christian Temperance and Bible Hygiene* (1890); *Special Testimonies* (1892- 1912); and *Drunkenness and Crime* (1907). Both in the outline and in the content of subject matter, the compilers have earnestly sought to reflect the emphasis which the author placed on the various phases of temperance.

**Reflecting Christ** Ellen G. White, 2009-08 During her 70-year ministry the author spoke, through her pen, to young people, to church members, and to the world in the *The Youth's Instructor*, the *Review and Herald*, and *The Signs of the Times*. Selections for this book have been drawn from these three periodicals as well as from her books and previously unpublished manuscripts and letters--Foreword.
